

NETHERLANDS

The Netherlands is home to a vibrant film industry with an open attitude towards international co-production. The Netherlands Film Industry has a lot to offer.

The Netherlands Film Commission is the official liaison between the Dutch film industry, Dutch permit holders and foreign producers. Your general resource for all film related inquiries through applications need to be done by a Dutch co-producer.

The Netherlands Film Production Incentive offers a 30% cash rebate on:

- a) Production spend & Post production in the Netherlands
- b) Salaries of Dutch crew, equipment rental and Dutch service providers costs, used outside the Netherlands.

What Do We Offer International Production Companies?

A wide variety of stunning locations all within two hours of Amsterdam Airport, excellent infrastructure, highly experienced English speaking professionals and no union limits. Local airports in Eindhoven, Maastricht and Rotterdam. The Netherlands Film Production Incentive is a transparent, simple and straight forward facility with cash flow possibilities upfront.

Recce Support

Financial support for location scouts, line producers and/or post-production supervisors for international production companies looking to shoot or post-produce in or with the Netherlands: Apply through Email: info@filmcommission.nl
